

# PRINCIPAL'S WELCOME

Hello Mighty Viking Scholars!

My name is Dr. Regina Stafford and I am the Proud Principal of Huntington Middle School. It is indeed my pleasure to have the opportunity to serve as your principal. All of my professional endeavors have led me to you and I am ready, willing and able to fulfill the responsibility that has been entrusted to me. That responsibility is your academic achievement and I take your bright futures seriously.

To fulfill my role as the instructional leader at Huntington Middle School, my focus will be on **I.C.E. – Instruction, Climate & Culture** and **Equity** for all.

Quality Instruction is instruction that is purposeful and intentional. It is data driven and utilizes high yield instructional strategies that have been proven to result in student academic progress.

A **Climate & Culture** conducive to learning is an environment where students know and adhere to the overall school expectations and individual classroom expectations. This adherence results in a positive climate where everyone feels safe, welcomed and knows that they belong.

**Equity** for all means that every student will have access to educational opportunities necessary for their academic progress and success. They will be met at their skill level and provided with the support necessary to accelerate their learning.

All of **I.C.E.** would be futile without you (students) doing your part to ensure your success. I need you to report to school on time each day, be focused and ready to learn, be respectful, move with a purpose and be in the Right Place, at the Right Time, doing the Right Thing. We have a lot of work to do, but together we can get it done – This is us!

I look forward to meeting and getting to know each and every one of you!

Dr. Regina Stafford, Principal
