Dear Friends of the Foodbank:

Thousands of individuals across the Greater Peninsula are struggling with food insecurity and are regularly forced to choose between food and medicine for themselves or their families sacrificing the basic needs. By choosing the Virginia Peninsula Foodbank, you are helping us distribute much needed sustenance to our neighbors in need to improve the health of our community.

Your special gift of 1,824 pounds of food not only puts food on the table for those individuals having to make difficult decisions but it also inspires hope. By giving them the help they need, they don't have to make these life changing decisions and life becomes that much better.

"When I first went to the food pantry, I felt a bit ashamed. But it was better to let my pride suffer than my family. I knew I had to be humble enough to accept help so we could get through this difficult time."

Thank you for supporting the Virginia Peninsula Foodbank and for sharing in our vision for a hunger free and properly nourished community. We are very fortunate to have Huntington Middle School as part of our community to help our neighbors in need with the gift of a meal. If you would like to have a tour of the Foodbank to see how your donations are put to work to help hungry families, please give me a call. Together, we can solve hunger!

Gratefully Yours,
